Re: Docket (NO. 00-01128) Petition of On-Site Systems, Inc. to amend its  
Certificate of Convenience and Necessity - City of Coopertown

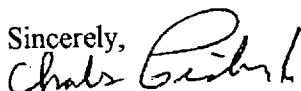

Dear Mr. Waddell:

On-Site Systems is requesting that our petition to amend our Certificate of convenience and necessity to expand our service area to include the City of Coopertown, (Docket No. 00-01128), be put on hold.

The city is revisiting our contractual arrangement for the franchise with the possibility that it will be modified. We would like to obtain clarification on what actions the city intends to take before our petition continues through the process.

We apologize for any inconvenience that this will cause. If you have any questions, please give me a call.

Sincerely,

  
Charles Pickney, Jr.
